Subject: Fw: Received voicemail from Dimock water delivery coordinator - follow-up call requested

Hello all,

We (CICs and OSCs) have been communicating with [Ex. 6 - Personal Privacy] for several months now. He is an activist in the Dimock area, not a reporter or a [Ex. 6 - Personal Privacy] resident, but very much involved in the Dimock groundwater issue. I can take his calls/ emails.

Maybe the LJackson meeting he's referring to is the planned protest tomorrow at the Nat. Museum here in Philly. ?? I don't know.

Mick, would you like to get back to HQ Sherri? If not, I can.
 Thx.

Joan,

This person is not a reporter so I don't think I am the appropriate person to respond.

Please advise. Thanks,

David

Hello,

I'm a member of the Office of Ground Water & Drinking Water hydraulic fracturing team, and I received a call from [Ex. 6 - Personal Privacy], who identifies himself as coordinator of water delivery from Dimock, PA. His telephone number is [Ex. 6 - Personal Privacy]. At the suggestion of Angela McFadden, I am sending his contact information to you.

In the message, he states that he understands there is going to be a meeting of Lisa Jackson today concerning Dimock, but that what they really need is water, and he is asking for a return call.

Please let me know if you are able to follow up with him, or if you need more of the details of the call -- I'm whether our phone system forwards calls between HQ and Regions.

Sherri
